- Electric special waste dispose in the relevant waste collector

MANUTENZIONE

Per la normale pulizia si consiglia di utilizzare detersivi di uso comune. Si sconsiglia l'utilizzo di detersivi abrasivi, acidi e anticalcare.

NOTA

La ferramenta in dotazione permette il fissaggio su pareti in mattoni pieni o forati e in calcestruzzo. Per pareti in cartongesso è necessario rinforzare adeguatamente la zona interessata ed eventualmente adottare sistemi di fissaggio specifici.

DATI TECNICI
N° 1 LED - 3000K - 24V

10 W - 110V - CE F

MAINTENANCE

For normal cleaning use common detergents. Do not use either abrasive detergents or solvents, acids and anti limestone.

NOTE

The assembly material supplied allows the installation on solid and hollow brick walls and on concrete walls. For plasterboard walls it is necessary to reinforce adequately the area concerned and to adopt specific fixing systems if necessary.
